Re: Procurement & Bid Opportunities

---

Alsay is requesting quotes on the following goods and services to be utilized for SAWS Gonzales County Saturn Well Project. All prices must be held minimum of 60 days, pending execution and acceptance of the contracts.

Project consists of: Drilling and construction of a new water well including permanent pumping equipment, site work, piping and electrical as outlined in the contract specifications.

---

**Supplier/Subcontractor Opportunities:**

Electrical parts and services  
Pump parts  
Piping installation  
Concrete services

To view additional project information, as well as obtain the complete plans and specifications please either contact Alsay direct at (210) 628-1090 or SAWS.org.

There is a pre-bid meeting scheduled for Monday January 25, 2016 at 10:00 AM at Gonzales County Water Supply Corporation, 1903 Sarah DeWitt Drive, Gonzales, TX 78629.

Please respond with your bid by 12:00 noon on the 2<sup>nd</sup> of February. Fax your proposal to (210) 628-1505 or email to [steve.bell@alsaywater.com](mailto:steve.bell@alsaywater.com)

The SMWB goals on this project are 17%.

Additionally, be aware of the Davis-Bacon wage scales in the contract specifications and that the successful bidder must ensure that employees and applicants for employment are not discriminated against because of race, color, religion, sex, age or national origin.
